NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment binds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension, &c. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The mustering officer, commissary, or assistant commissary of musters, as the case may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

Head Quarters Engineer Regiment

St Louis Oct. 1, 1861

Sir

Since my commanding
Officer refuses to hear or admit my grievances,
I can only continue to appeal to you. And you
will bear with me this time, while I briefly
refer to the fact. About the first of June last I
commenced to organize an independent company
or battalion of Sappers & Miners; at which by the
way I succeeded beyond my expectation.
About fifteen days after Col. Ripell called to
see me & informed me that you had committed
him to organize a Regiment for this some of
the service, and wish me to join him. I
informed him, if he would give my battalion
the preference in his Regiment, I would add
to this he agreed: not to exceed three companies.
I immediately ordered my men from Rolla
to the Arsenal; a few days after which I was
informed by the Col. that I could not bring
but two companies in the Regiment; and
soon after this, again, informed that
I could bring but one, & must do that in a
very few days. because he then had eighteen
companies waiting to come; I at once set up
about organizing my company. But I discovered
that as these men enrolled, numbering about two
hundred, which had been recruited by those who
had joined with me in organizing the battalion
became acquainted with the fact that ^{only} one com-
pany would be received in the Regiment; that
the Officer under whom they expected to serve would not

be received they refused to be mustered in.
I finally succeeded in mustering in one company
but not without overcoming obstacle after obstacle.
which if not occasioned by the Col. himself, was at
least permitted by him: soon after which I was
ordered to Cape Girardeau; but had been there
but a few days when I was order to report in
person at Head Quarters immediately: on reporting
I was informed by my commanding Officer that
he wanted me to resign. because he said I had
written two or three letters either of which would
disrupt the the service. I refused to ~~comply~~
comply with his wish, whereupon he informed
that if I would he would permit my pay to
run on until such time as he I would
be fully satisfied that I had got good
pay for all I had done, & by this liberal propo-^{sition}
on his part be satisfied that he had no personal
feelings about: I still refused; he further
told me that if I would do it he would appoint
me Suttler of his Regiment, all of which offers
I received as ^{insulting} & demanding orders
& was placed in arrest on account of it,
and not on account of what I ~~do~~ ^{do}.

What has followed since my arrest which as
you are aware was on the sixth of last
month you know, except that ^{permission} ~~permission~~
to attend church or to go to my house to
change clothing has been denied; the
order to Lieutenant Patten who was made
the arrest, was that he place me in guard,
& not permit me to leave only as motion
demanded

And now my Dear General I come to you one more; I know I have no claims upon you, although I have not forgotten, fifty six, I have no claims upon the Administration, although some of my best and most influential friends have ordered me out of their houses because I admitted that I not only voted for Abraham Lincoln President of the United States, but that I would do it again if I had a chance.

I come to you and all I ask is justice, speedy justice. If it is so, that I deserve treatment more cruel than that than the rebel taken in battle, let it be so only that I know for what & how long, I want to serve my country if I intend to do it & I am willing my superiors shall dictate where & how, & if it be as at present in arrest & confinement, all I ask is the assurance that it is not to gratify the pride or prejudice of any one or ^{individual} few, (as I think is the case at present,) but that the good of my country demands they go confinement to close, no punishment to severe, no sacrifice, even life itself to dear. May I expect my Dear General to hear from you at an early day.

Dear Sir - I suppose you would like to know how I am getting along here and those under me. We are having a fine time. We are quartered in a large brick building plenty of room good ventilation, water &c. Our general health is good, a few complaining with chills &c but none in the Hospital. I have lost one man, he disappeared Saturday evening and on Sunday morning a suit of clothes was found on the levee that was recognized as his leaving it beyond a doubt that he is drowned. I have had some little complaining among my men some about one thing and some another which has annoyed me some. The fact is that they have been drinking too much, our quarters being outside the military lines, it has been impossible to keep it from them. But I expect to draw tents and change quarters this P. M. and go inside the lines where I will have more control over my men. Before I lost the one above referred to I had 104 now I have 103. This morning I gave an opportunity for any wishing to leave my Company and join some other to manifest it and three came forward and I assured them,

that I would confer with you and if I could get your permission I would make any exchange they wished. Will you authorize me to accommodate them or any other that wished to be transferred, I have two or three men who are worthless and does all the mischief in the Company they can get when they can get whiskey and pol-

St Louis Sept-29, 1861

Brigadier General Curtis

Sir

On the fifth of the present month I was placed in arrest by the commanding officer of this post, & ordered in quarters. I applied for a copy of charges (if any) under which I was placed in arrest, but receiving said copy, I applied to General Beaumont, but I have not heard from him. I suppose that in the pressure of business my case has been overlooked. Will you give it your attention, and give such direction or order in relation to it, as will insure me a hearing immediately.

Being myself an officer of the Government & ready & anxious to serve it. I think that if (as I believe) I am innocent, & that the reason why I have not secured a copy of charges, is because there are none for that case the sooner it is known & I am set at liberty & returned to duty the better. And if on the other hand I am not ^{innocent}, the sooner it is known the better.

All I ask is speedy justice. And if you will secure it me, you will much oblige yours very respectfully

Let Mr. Rippl know you would like to know how
I am getting ^{along} here. Those under me; We are having
fine time here, we are quartered in a large brick
building, plenty of room, good ventilation, Water
&c our general health is good, a few complaining
with chills &c but none in the Hospital, I have lost
one man he disappeared Saturday evening
I on Sunday morning a suit of clothes was
found in the river that was recognized as his
leaving it beyond a doubt that he is drowned
I have had some little complaining among
my men some about one thing & some another
which has annoyed me some, The fact is that
they have been drinking to much, our quarters
being outside the military lines, it has been impossible to
keep it from them; But I expect to drive them
charcoal just this side of the line where
I will have more control over my men, Before I
lost the one above referred to I had 104 now I have

108 This morning I gave an opportunity for
any wishing to leave my company & join some
other to manifest it. & 3 there came forward
& I assured them that I would confer with you &
if I could get your permission I would make any
arranging they wished will you authorize me to
do it accommodate them or any other that wishes
to be transferred, I have 2 or 3 men who are worthless
& does all the mischief in the company they can
drink when they can get whiskey & polio & corrupt
the balance of the men so far as they can influence
them. what shall I do with them

Please give me instructions in relation to them
at your early convenience I much oblige

Sir

I was removed from St Louis after my
release from arrest by order of General Fremont)
before I could see you & give ^{you} an act of the trans-
actions connected therewith; I was ordered
to report to this place at once, which I did
& was immediately ordered in arrest again
by my commanding officer. If I am
in your jurisdiction will you oblige me by
ordering me before you for an investigation
at once; being, as I am innocent, & ~~have~~
~~never~~ been in arrest & confinement for near
two months, you will not wonder that I am
impatient, have my case disposed of at once,
will you not oblige me by sending an order
for me, & also my accuser, by my boy
who will hand you this, (& to whom you
will ^{have} give a pass to return to me by the first
train) I suppose that to get me away from
St Louis & friends, & into a lone encampment
far away in the woods where I had none
with home to consult or advise & was ^{sure} supposed
to be the best place for the accomplishment
of the vile purposes of those who are intent

Sir

In my communication of yesterday I overlooked
the necessity or propriety of referring to the commandant
of the post with my commanding officer in relation
to my arrest; immediately on being arrested I requested
a court of inquiry & if there were charges against
me; & immediately the same, immediately & not
subject me to the necessity of being in arrest & confinement
(as I am) for a month or more as on a former occasion
told in writing the causes &c. I have not requested copy
of charges, nor anything else; but that my case may
be disposed of according to the law & evidence. At once
but this is all on the former occasion, I have heard
nothing from, & probably will not, as already many days
I am in prison; I have immediately ordered here without
expecting to remain, (as my company is at Cape Girardeau)
I came without tent, blanket or change of clothing
or any provisions for living & as there are nothing to
be had here, I am in a suffering condition; but I would
not expect to receive sympathy; but to your service of
sight & service; that is more; Will you give
such orders as will include it me at once & much

now; I insist that there is no cause for

Sir

There is nothing in the records of Co "E" Engineer Regt of the 1st Mo Vol. to show that Josephus Warren died in the Service of the United States.

All the records that I am able to find show that he was discharged for Disability at Mound City Hospital Mo Nov 8th 1862.

This was before I took charge of the Company Muster & Pay rolls, Monthly returns & entry on Discriptive Book. All show him Discharged for Disability at the above Hospital.

I would here respectfully state the reason this has not been attended to sooner is in consequence of being with Major Genl Sherman in rear of Atlanta Ga. When your Communication of the 26 Augt 1864 reached us, and all our old books & papers in Nashville Tenn. Hoping this will be satisfactory.

Brig. Genl. Commanding

Camp Mildred January 24th 1862

Having been confined to my tent for three weeks with inflammation and swelling of the knee joint caused by a fall I apply for a furlough for thirty (30) days thinking in that time I can entirely recover and be again ready for duty.

R. A. Washburn.

Private R. A. Washburn of Company E. 2nd Regt of the 1st Mass Volunteers having applied for a certificate on which to ground an application for leave of absence. I do hereby certify that I have carefully examined the said R. A. Washburn and find that the injury has produced acute synovitis of the knee joint which confines him to his tent and in consequence thereof he is in my opinion unfit for duty. I can declare my belief that he will not be able to resume his duties in a less period than 30 days and I therefore recommend a furlough for that period of time, believing he will recover much sooner at home than by remaining in Camp.

Volunteer
VOLUNTEERS.

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other commanding officer commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 3d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipment, and other miscellaneous charges, should appear under the heading of "Other Receipts."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Soldier and Landress must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Second Auditor, Washington, D. C.

I certify that Major General Fremont soon after he assumed command of the departments of the West stated to me that the Engineer Regiment should be allowed five extra lieutenants, so as to be Engineers at full rate Master Mechanics & that an order should be issued to that effect, but no such order was ever issued as I have learned.

John P Whitley commenced service as such on the 20 Aug 1861 & continued to the 5 Dec 1861 at which time his connection with the Regiment ceased.

He has received pay to 1 Oct 1861. On the 9 Oct a detail was made of twenty one picked men from the Regt & placed under the charge of Whitley for service in the transportation department & I have stated he rendered most efficient service in the Springfield campaign.

J. W. Snodgrass M.D.

requesting position on my
staff & be detailed as
Surgeon.

Wm. Engle.

Brigade Regt. of
the M.D.

Attesting Office

St Louis, Nov 20th 1861.

1st Brigade General Curtis, Commanding
at St Louis.

General: I have the honor to state that I have been engaged as Examining Surgeon at the "Arsenal" and in this city, in connection with the Attesting Office, since the ninth day of August last; having been detailed for that duty by Colonel Buel Commander of the Post at that time, while I was connected with a Regiment as Assistant Surgeon. Since that period I have examined and passed all the recruits at the "Arsenal" and in the City thrown into the Service, amounting to nearly three thousand men, besides performing the duties of Surgeon to the Military Prisoners, and a detachment of the Regiment with which I was connected.

I have not been absent from my post for a single day, but two Sundays, and have performed my duties faithfully and well.

I should like to be continued in the same position, especially as an Examining Surgeon is indispensable for the continued examination of recruits, and preparing certificates of disability &c; but as the Regiment to which I was attached is not yet full and stays undischarged in, I cannot continue there duty as an

"Assistant Surgeon", regularly in the Service.

Should you be pleased General, to do so, I should feel highly honored by an appointment as "aid" in your Staff with such rank as you might see fit to indicate, and be detached by you for this Special duty.

As if that should not be consistent I would like to be retained as an unemployed Surgeon. I have left my family at Thousand Oaks (California) and come to St. Louis chiefly in consequence of recent misfortune in business as a Druggist, and I trust I may not be entirely disappointed in the object I had in view.

Trusting General, that you will appreciate my position, and be pleased kindly to oblige me.

I have the honor to remain
Very Respectfully
Your Obedt Servt
J M Winston M.D.

P.S. In connection with the above I beg to state that I have been selected by several Christian Societies in Rocky Mountain and also in Great Britain U.S. and New Britain U.S., where I have two Brothers settled as clergymen, to visit the different Hospitals in this city with reference to the wants of the Sick Soldiers ~~in the army~~ ^{as required} clothing and other necessities, and communicate with them from time to time, and receive

And distribute such contributions as they may forward,
in the preparation of which they are now actively
engaged. My residence in this Office & at Boston
Barracks would enable me to attend to this business.

The undersigned from a personal
acquaintance with Dr. Winslow
takes pleasure in recommending him
for any position General Committee
may be pleased to confer upon
him.

General

I have the honor most respectfully
to tender my resignation as 2^d Lieutenant
of Co. Ist "Engineer Regiment of the Art"
Mo. Iols. I am forced to this on account of the
following reasons namely: I have been suf-
fering for the past four months from the
following chronic inflammation which is much so as
to make me entirely unfit for duty and there
seems to be no hope of a speedy recovery
another reason I have for making this request
is that I have two motherless children and
the recent death of a near relative are now left
as orphans, as I am now of the very
tender age in the service and being very anxious

to procure a home for my children which I
can only do by going north. I sincerely hope
you will grant my request.

I am not
indebted to Government in any manner,
never having been liable for any Government
supply or station. I have not been absent
without leave since last muster, I was last
paid by Paymaster Jordan to include the
3rd day of August 1863.

I have the honor to be
